Refugee Tales Walk

Mid Sussex Ramblers are delighted to inform members of a new collaboration with voluntary organisation Refugee Tales, who organise walks for refugees in the south east on a monthly basis.

One of our walk leaders, Anne, will be leading a joint Mid Sussex Ramblers/Refugee Tales walk starting from Hassocks Station on Saturday 12th April. The walk, which is 8.7 miles, will go up on to the South Downs at Jack and Jill windmills, along to Ditchling Beacon and return via the Westmeston and Ditchling.

As usual, members who would like to join the walk should text Anne beforehand to let her know that they will be coming (contact number on the MSR walk programme). For this walk, please note that the start time is 10.30 a.m. and that no dogs will be permitted on the walk. Don't forget to bring a drink, snack and picnic lunch.

We hope that those members who join the walk will find it an interesting and worthwhile experience in addition to enjoying a spring walk in our beautiful Sussex countryside.'

Les Campbell Funeral Arrangements

The funeral for Les Campbell will take place in the North Chapel, Woodvale Crematorium, Lewes Road, Brighton, BN2 3QB on Tuesday 8th April at 2pm.

The wake afterwards will be at the Hassocks Hotel.
